

## Coursera Score Screenshot Instructions

Step 1:

Find your final score by navigating to the drop-down menu at the top right underneath your name. Select accomplishments.

Scroll down for Step 2.

Step 2:

Under My Courses, take a screenshot of the course you completed and include your name in the screenshot. **You will not receive credit if your name is not shown on the screenshot.**

### Name Verification

Your name, Erin Weldon, is verified. This is the name that will appear on your certificates.
